SPECIAL CONDITIONS

7. RECOVERY ACT – Access to Records; Interviews

The recipient understands and agrees that DOJ (including OJP and the Office of the Inspector General (OIG)), and its representatives, and the Government Accountability Office (GAO), shall have access to and the right to examine all records (including, but not limited to, books, papers, and documents) related to this Recovery Act award, including such records of any subrecipient, contractor, or subcontractor.

The recipient also understands and agrees that DOJ and the GAO are authorized to interview any officer or employee of the recipient (or of any subrecipient, contractor, or subcontractor) regarding transactions related to this Recovery Act award.

8. RECOVERY ACT – One-time funding

The recipient understands and agrees that awards under the Recovery Act will be one-time awards and accordingly that its proposed project activities and deliverables are to be accomplished without additional DOJ funding.

9. RECOVERY ACT – Separate Tracking and Reporting of Recovery Act Funds and Outcomes

The recipient agrees to track, account for, and report on all funds from this Recovery Act award (including specific outcomes and benefits attributable to Recovery Act funds) separately from all other funds, including DOJ award funds from non-Recovery Act awards awarded for the same or similar purposes or programs. (Recovery Act funds may be used in conjunction with other funding as necessary to complete projects, but tracking and reporting of Recovery Act funds must be separate.)

Accordingly, the accounting systems of the recipient and all subrecipients must ensure that funds from this Recovery Act award are not commingled with funds from any other source.

The recipient further agrees that all personnel (including subrecipient personnel) whose activities are to be charged to the award will maintain timesheets to document hours worked for activities related to this award and non-award-related activities.

10. RECOVERY ACT – Subawards – DUNS and CCR for Reporting

The recipient agrees to work with its first-tier subrecipients (if any) to ensure that, no later than the due date of the recipient's first quarterly report after a subaward is made, the subrecipient has a valid DUNS profile and has an active registration with the Central Contractor Registration (CCR) database.

11. RECOVERY ACT – Subawards – Monitoring

The recipient agrees to monitor subawards under this Recovery Act award in accordance with all applicable statutes, regulations, OMB circulars, and guidelines, including the OJP Financial Guide, and to include the applicable conditions of this award in any subaward. SPECIAL CONDITIONS

12. RECOVERY ACT – Recovery Act Transactions Listed in Schedule of Expenditures of Federal Awards and Recipient Responsibilities for Informing Subrecipients

(a) The recipient agrees to maintain records that identify adequately the source and application of Recovery Act funds, to maximize the transparency and accountability of funds authorized under the Recovery Act as required by the Act and in accordance with 2 CFR 215.21, "Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-profit Organizations" and OMB A-102 Common Rules provisions (relating to Grants and Cooperative Agreements with State and Local Governments).

(b) The recipient agrees to separately identify the expenditures for Federal awards under the Recovery Act on the Schedule of Expenditures of Federal Awards (SEFA) and the Data Collection Form (SF-SAC) required by OMB Circular A-133. This condition only applies if the recipient is covered by the Single Audit Act Amendments of 1996 and OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations." This shall be accomplished by identifying expenditures for Federal awards made under the Recovery Act separately on the SEFA, and as separate rows under Item 9 of Part III on the SF-SAC by CFDA number, and inclusion of the prefix "ARRA-" in identifying the name of the Federal program on the SEFA and as the first characters in Item 9d of Part III on the SF-SAC.

(c) The recipient agrees to separately identify to each subrecipient the Federal award number, CFDA number, and amount of Recovery Act funds, and to document this identification both at the time of subaward and at the time of disbursement of funds. When a recipient awards Recovery Act funds for an existing program, the information furnished to subrecipients shall distinguish the subawards of incremental Recovery Act funds from regular subawards under the existing program.

(d) The recipient agrees to require its subrecipients to specifically identify Recovery Act funding on their SEFA information, similar to the requirements for the recipient SEFA described above. This information is needed to allow the recipient to properly monitor subrecipient expenditure of Recovery Act funds as well as facilitate oversight by the Federal awarding agencies, the DOJ OIG, and the GAO.

13. RECOVERY ACT -- Reporting and Registration Requirements under Section 1512 of the Recovery Act.

(a) This award requires the recipient to complete projects or activities which are funded under the Recovery Act and to report on use of Recovery Act funds provided through this award. Information from these reports will be made available to the public.

(b) The reports are due no later than ten calendar days after each calendar quarter in which the recipient receives the assistance award funded in whole or in part by the Recovery Act.

(c) Recipients and their first-tier recipients must maintain current registrations in the Central Contractor Registration (www.ccr.gov) at all times during which they have active federal awards funded with Recovery Act funds. A Dun and Bradstreet Data Universal Numbering System (DUNS) Number (www.dnb.com) is one of the requirements for registration in the Central Contractor Registration.

(d) The recipient shall report the information described in section 1512(c) of the Recovery Act using the reporting instructions and data elements that will be provided online at www.FederalReporting.gov and ensure that any information that is pre-filled is corrected or updated as needed.

(e) The recipient shall notify the OJP program manager of submission of its section 1512(c) report at the time the report is submitted per (d) above. Notification to OJP may be either by submission of a copy of the section 1512(c) data report, or (if not practicable) by electronic notification to the OJP program manager confirming submission of the report. Failure to provide the required notification to OJP will be deemed a failure to report under section 1512(c).

SPECIAL CONDITIONS

18. RECOVERY ACT – Buy American Notification (Recovery Act, section 1605)

The recipient understands that this award is subject to the provisions of section 1605 of the Recovery Act (“Buy American”). No award funds may be used for iron, steel, or manufactured goods for a project for the construction, alteration, maintenance, or repair of a public building or public work, unless the recipient provides advance written notification to the OJP program office, and a Grant Adjustment Notice is issued that modifies this special condition to add government-wide standard conditions (anticipated to be published in subpart B of 2 C.F.R. part 176) that further implement the specific requirements or exceptions of section 1605.

Section 1605 of the Recovery Act prohibits use of any Recovery Act funds for a project for the construction, alteration, maintenance, or repair of a public building or public work unless all of the iron, steel, and manufactured goods used in the project are produced in the United States, subject to certain exceptions, including United States obligations under international agreements.

For purposes of this special condition, the following definitions apply:

“Public building” and “public work” means a public building of, and a public work of, a governmental entity (the United States; the District of Columbia; commonwealths, territories, and minor outlying islands of the United States; State and local governments; and multi-State, regional, or interstate entities which have governmental functions). These buildings and works may include, without limitation, bridges, dams, plants, highways, parkways, streets, subways, tunnels, sewers, mains, power lines, pumping stations, heavy generators, railways, airports, terminals, docks, piers, wharves, ways, lighthouses, buoys, jetties, breakwaters, levees, and canals, and the construction, alteration, maintenance, or repair of such buildings and works.

“Manufactured good” means a good brought to the construction site for incorporation into the building or work that has been--

- (1) Processed into a specific form and shape; or
- (2) Combined with other raw material to create a material that has different properties than the properties of the individual raw materials.

“Steel” means an alloy that includes at least 50 percent iron, between .02 and 2 percent carbon, and may include other elements.

For purposes of OJP grants, projects involving construction, alteration, maintenance, or repair of jails, detention facilities, prisons, public crime victims’ shelters, police facilities, or other similar projects will likely trigger this provision.

NOTE: The recipient is encouraged to contact the OJP program manager – in advance – with any questions concerning this condition, including its applicability to particular circumstances.
